Pat, Dave, Chris, Mike,

I just received word from our records management folks that we need to have you request both the inspection report and the monitoring data via FOIA <https://www.epa.gov/foia>. Neither the report nor the data have been finalized yet so both may take a while to get to you. I'll send you an update as information becomes available.

Thanks,

Gina

**Subject:** Request for information

Gina, as we discussed yesterday, AK Steel would like a copy of the final inspection report. We would also like to formerly request the sampling results from the mobile truck ambient air monitoring station including the cannister set.
